1. PURPOSE:

MLSC 202 continues the Army ROTC Advanced Course. The course, in conjunction with Leadership Lab, physical training, Field Training Exercises, and cadet social functions, is intended to provide cadets with leadership, time management, organizational, and technical and tactical skills. These skills are necessary in order to succeed at the National Advanced Leadership Camp (NALC) at Fort Lewis, Washington, as future commissioned officers in the United States Army, and as leaders in the civilian sector. The objective of this course is to continue the cadet's leadership development and prepare the cadet to excel at NALC.

2. COURSE SCOPE & REQUIREMENTS:

a. **General.** This course is demanding both mentally and physically, requiring a significant time investment by cadets. With an emphasis on leadership development, cadets will learn the value of followership, teamwork, technical and tactical competence, effective communication, and superior character and integrity.

b. **Scope.** The course focuses on small unit tactics and leadership of a squad and platoon in both a garrison and tactical environment. Introduction to material generally occurs in the classroom with complementary training occurring during Leadership Lab. Cadets are expected to immediately apply what they have learned and show consistent improvement and leadership development throughout the remainder of the MS II year.

c. **Course Objectives.** Cadets must meet the following objectives at the completion of MLSC 202.

Leadership

- Explain the situational, transformational, and adaptive leadership theories and their relationship to the Army leadership framework
- Describe methods of assessing leadership styles

Values and Ethics

- Explain the Army values and the Army's Consideration of Others program

Personal Development

- Write in accordance with the Army standard for effective writing

Officership

- Describe the history of terrorism and basic US antiterrorism policy

Tactics and Techniques

- Distinguish between an operation order, a fragmentary order, and a warning order
- Demonstrate terrain analysis and route planning skills
- Explain the five paragraph format for an operations order
- Describe the characteristics and techniques of defensive operations
- Explain how squads and platoons plan for and conduct patrols

c. **Physical Fitness.** Physical fitness is absolutely essential to succeed as a cadet, as an officer, and on the battlefield. MS II cadets are required to attend all physical training (PT) sessions. The Cougar Company will conduct physical training every Tuesday and Thursday morning at 0600. These PT sessions are not intended to serve as a cadet's entire fitness regimen. Every cadet is responsible for his or her own physical and health fitness. In order to attain a high level of physical fitness, cadets must plan and execute their own fitness regimen in addition to Cougar Company PT. Cadets are expected to maintain a passing score on the APFT and demonstrate continuous fitness improvement throughout the MS II year. The APFT goal for this semester is 90 points in each event with a minimum score of 270 points. The ultimate goal, of course, is to score 300 points. MS II cadets must pass the APFT and maintain height/weight standards in order to continue in the program. Cadets who do not pass the APFT or meet height/weight standards are encouraged to participate in remedial physical training on their own.

d. **Appearance and Military Bearing.** As cadet leaders, MS II cadets are expected to maintain a neat and orderly appearance at all times, both in uniform and in civilian clothes. When conducting cadet business at the ROTC detachment or when meeting with cadre or senior cadets, civilian attire should be appropriate for a future officer. The Army standards of grooming and appearance will be enforced at physical training and at cadet social functions. Similarly, MS II cadets are expected to set the example with regard to military bearing, conducting themselves professionally at all times and taking the initiative to train underclass cadets in the standards of military conduct. As cadet officers, MS IV cadets should be rendered the same courtesy as cadre – they are to be referred to as “Sir” or “Ma’am” and saluted when appropriate, including cadet officers of other services.

e. **Academic Standards.** Cadets are required to meet minimum academic requirements as follows:

- (1) Semester/quarter GPA and cumulative GPA of 2.0 (2.5 for scholarship cadets).
- (2) Semester and cumulative ROTC GPA of 2.0 (3.0 for scholarship cadets).
- (3) Pass all registered classes.
- (4) Maintain full-time academic status at their university.
- (5) Maintain scheduled progress toward a degree as outlined on CC Form 104-R.

Cadets who fail to meet any of these requirements will be placed on academic probation for the next semester or quarter. Academic probations may result in a loss of scholarship benefits and/ or disenrollment from ROTC.

3. ATTENDANCE & PARTICIPATION:

a. Attendance is mandatory at all scheduled classes, Leadership Labs, designated social activities, physical training, designated fund-raising activities, and the Spring Field Training Exercise.

b. Requests for excused absences must be submitted to me in writing **prior** to the projected absence **with** a valid reason. E-mail is the preferred method. In the event of an emergency, notify me as soon as possible by any means available (phone, voicemail, e-mail, etc.) and keep me posted on the situation. Cadets are responsible for obtaining notes and handouts for any missed classes.

c. Unexcused absences will adversely affect a cadet's course grade and possibly their standing in the MS II class. Cadets will lose two percentage points from their overall course grade for each unexcused PT absence and three percentage points for each unexcused absence from class or lab.

4. **UNIFORM:** Cadets will wear BDUs to class on Thursdays. Consult the weekly training schedule for the uniform for class, Leadership Lab, and physical training.

5. **HOME ASSIGNMENTS/QUIZZES:** Cadets are expected to read all assignments prior to class and complete all homework assignments on time. Cadets are encouraged to study together and assist each other with homework assignments. However, as future officers in the US Army, cadets will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral presentation assignments must be original work. All ideas/material that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with

quotation marks. Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to my attention. I reserve the right to discipline any student for academic dishonesty, in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.

6. STUDENT EVALUATION/COURSE GRADE:

a. Academic evaluation of this course will be based on the following percentages:

Quizzes/Exam	80%
PT	15%
Attendance	5%

b. Grading Criteria: **A**, 93-100; **A-**, 90-92; **B+**, 87-89; **B**, 83-86; **B-**, 80-82; **C+**, 77-79; **C**, 73-76; **C-**, 70-72; **D+**, 67-69; **D**, 63-66; **D-**, 60-62; **F**, 59 and below.

c. Book Review. Cadets will be required to write a leadership book review. Details of this assignment will be provided during the semester. Written assignments will be graded on fulfillment of the requirement, correct spelling and grammar, and adherence to the Army writing style.

7. **ORDER OF MERIT LIST (OML):** I will determine an Order of Merit List (OML) for the MS II class at the end of the semester and will inform each cadet of his or her standing during the final semester counseling session. The OML is based on two primary criteria, each with equal weight: performance as an MS II, including class performance, and cumulative academic GPA.

8. REQUIRED TEXTS AND REFERENCES:

a. All texts will be supplied by the ROTC detachment, with the exception of the leadership book chosen for review. These materials must be drawn from the Army ROTC supply room during normal supply room hours by prior to the first class session. These texts must be returned to supply by at th completion of the semester, with the exception of FM 7-8 and the TACSOP. Failure to return supplies will result in the placement of an academic hold on your college records and transcripts.

b. All materials and references for daily course study are listed on the attached course schedule. Other references that you may need during Leadership Lab may be obtained through cadre members, other senior cadets, or me.

9. COUNSELING:

a. I will formally counsel each cadet twice during the semester, once at the beginning and once at the end. These sessions are not one-sided. Be prepared to answer pointed questions regarding your strengths, weaknesses, leadership development, and short- and long-term goals.

b. MS II cadets will receive continuous counseling, primarily verbal and informal, from various members of the cadre and from the MS IV cadets throughout the MS II year. Certain MS IV cadets have been chosen to serve as Training Assessment Counselors (TACs). Their mission is to prepare you for NALC and to facilitate your growth as a leader. The TACs will provide frequent informal feedback as well as conduct formal evaluations under the LDP system. Do not underestimate the wisdom of the TACs. All of them excelled at camp and they are eager to pass on all they have learned.

10. STUDENTS WITH DISABILITIES:

Students with disabilities who require academic accommodations must be approved for services by providing appropriate and recent documentation to the Office of Disabled Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TDD (760) 750-4909. Students authorized by DSS to receive accommodations should meet with me during my office hours or in a more private setting in order to ensure your confidentiality.
