Student Health Insurance

A health insurance policy is available and recommended to students who have no private medical or accident insurance coverage. The insurance includes hospitalization benefits and specified medical and surgical services. The policy may be purchased semesterly or yearly. An open enrollment period is available the first 30 days of each semester. Forms to enroll for the student health insurance policy are available in the Associated Students Office and in Student Health Services.

All international students are required to have health insurance coverage. International students desiring additional information on student health insurance for international students should contact the Office of Admissions.

Refund of Fees

Details concerning fees which may be refunded, the circumstances under which fees may be refunded, and the appropriate procedure to be followed in seeking refunds may be obtained by consulting Section 42201 (parking fees), 41913 (non-resident tuition), 42019 (housing charges), and 41802 (all other fees) of Title 5, California Code of Regulations. In all cases it is important to act quickly in applying for a refund. Information concerning any aspect of the refund of fees may be obtained from the Class Schedule.

Students withdrawing completely from the University, or dropping from 6.1 or more units to 6.0 units or less by the schedule adjustment deadline (posted in the Class Schedule), are eligible for a refund of monies paid but not owed to the University. In order to receive a refund, students must fill out the "Application for Refund of Fees"

form. There is a \$5.00 service fee deducted from the refund. These forms are due by the end of the schedule adjustment period.

Refund requests made after the scheduled deadline will not be processed. To receive consideration of a refund after the deadline, a "Petition for Fee Waiver of University Regulations" form must be completed. The University Appeals Committee will make the final decision on the merits of each application. The petition forms are due by the tenth week of instruction.

Forms for the Application of Refunds of Fees, and Petition for Fee Waiver of University Regulations are available in the Cashier's Office.

Non-matriculated students, open university students, or any student attending summer or winter terms who withdraw completely or make schedule adjustments, should refer to the Class Schedule or brochure covering that term/program for refund procedures and policies.

For students that are receiving Federal Financial Aid, who withdraw prior to the eleventh week of the semester, you will be required to repay a portion of fees. Please refer to the Class Schedule for more information.

Debts Owed to the Institution

Should a student or former student fail to pay a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381). For example, the

institution may withhold permission to receive official transcripts of grades from any person owing a debt. If a student believes that he or she does not owe all or part of an unpaid obligation, the student should contact the University Cashier's Office. The Cashier's Office, or another office on campus to which the student may be referred by the Cashier's Office, will review the pertinent information, including information the student may wish to present, and will advise the student of its conclusions with respect to the debt. If a student believes he or she does not owe all or part of an unpaid obligation, the student should contact the University Cashier's Office, CSUSM, San Marcos, CA 92096-0001, (760) 750-4491. The University Appeals Committee will review the pertinent information the student may wish to present, and will advise the student of its conclusions with respect to the debt.

Procedure for the Establishment or Abolishment of a Student Body Fee

The law governing the California State University provides that fees defined as mandatory, such as a student body association fee and a student body center fee, may be established. A student body association fee must be established upon a favorable vote of two-thirds of the students voting in an election held for this purpose (Education Code, Section 89300). A student body center fee may be established only after a fee referendum is held which approves, by a two-thirds favorable vote, the establishment of the fee (Education Code, Section 89304). The student body fee was established at CSU San Marcos by student referendum on October 8, 1991. The campus president may adjust the student body association fee only after the fee adjustment has been approved by a majority of

students voting in a referendum established for that purpose (Education Code, Section 89300). The required fee shall be subject to referendum at any time upon the presentation of a petition to the campus president containing the signatures of 10% of the regularly enrolled students at the University. Once bonds are issued, authority to set and adjust student body center fees is governed by provisions of the State University Revenue Bond Act of 1947: Education Code, Sections 90012, 90027, and 90068. Student body fees support a variety of cultural and recreational programs, childcare centers, and special student support programs.

The process to establish and adjust other mandatory fees requires consideration by the campus fee advisory committee. A student referendum also is required. The campus president may use alternate consultation mechanisms if he/she determines that a referendum is not the best mechanism to achieve appropriate and meaningful consultation. Results of the referendum and the fee committee review are advisory to the campus president. The president may request the chancellor to establish the mandatory fee. Authority to adjust fees after consideration by the campus Fee Advisory Committee and the completion of a student referendum is delegated to the president.

Student Financial Aid

If a financial aid recipient withdraws or reduces units, all or a portion of financial aid which was received may need to be repaid. The amount of the required payment will be determined by the date the student officially withdraws. Because federal regulations require half-time enrollment for certain federal aid programs, any student who drops to

less than half-time may lose all financial aid.

Refund requirements for students who completely withdraw within a semester are being revised by the federal government. Details are available in the Financial Aid and Scholarship Office.

Both federal and state financial aid and any outstanding debts to CSU San Marcos must be repaid before any refund is given to the student.

The CSU San Marcos Financial Aid and Scholarship Office administers several programs which are designed to assist students whose financial resources are insufficient to meet their educational costs, including fees, books, transportation, and living expenses. Financial assistance programs consist of gift aid (grants and scholarships), loans, and employment opportunities. The funds for these programs come from the State of California, the federal government, and private sources.

Application Procedures

Students should complete a Free Application for Federal Student Aid (FAFSA) each year between January 1 and March 2 to be considered for aid for terms of enrollment from the next Fall semester to the following Spring term. A FAFSA may be obtained from any California college financial aid office or high school counseling office and must be used to apply for California and federal financial aid, including loans.

In addition to filing the FAFSA by March 2, financial aid applicants should submit supporting documents to the CSUSM Financial Aid and Scholarship Office no later than May 1. Required supporting documents vary from student to student and will be requested by the Financial Aid and Scholarship

Office following receipt of the FAFSA. Applicants who do not meet the priority filing dates will be awarded aid as funds are available.

All California residents who are applying for undergraduate programs, and who file a FAFSA by the Cal Grant deadline of March 2, are encouraged to apply for Cal Grants. Details are available through high school counseling offices or the CSUSM Financial Aid and Scholarship Office.

Students who are applying to the teacher credential program are now eligible to apply for a Cal Grant. Check with the Financial Aid and Scholarship Office for details.

Eligibility

Most financial aid is based on financial need, which is the difference between the full cost of attending CSUSM and an expected contribution from the student, the student's spouse (if married), and parents (if the student is required to provide parental information on the FAFSA). The expected family contribution is determined by standards which are set by the federal government and the State of California.

Students must be U.S. citizens or "eligible non-citizens" in order to be considered for federal aid. Students holding "F" visas or other non-resident visas are not eligible for state or federal financial aid funds.

Federal and state regulations require the Financial Aid and Scholarship Office to ensure that financial aid recipients are making satisfactory progress toward their degree as well as remaining in good academic standing. The CSUSM Financial Aid Satisfactory Academic Progress Policy Statement is available from the Financial Aid and Scholarship Office.

For additional information, please write the Financial Aid and Scholarship Office, CSU San Marcos, San Marcos, CA 92096-0001, for a financial aid brochure. Students may access all of their CSUSM financial aid records or obtain general information by calling the SMART system at (760) 750-4850, or accessing SMART WEB through the website csusm.edu/financial_aid. Inquiries may also be made by e-mail or fax. The fax number is (760) 750-3047. The e-mail address is: finaid@mailhost1.csusm.edu

SCHOLARSHIPS
FINANCIAL AID AND SCHOLARSHIP
OFFICE
(760) 750-4855

The following scholarships are available to students attending CSU San Marcos. Some scholarships do not require financial need. CSUSM has a general scholarship application which is available from the Financial Aid and Scholarship Office. Students who complete this application, which includes an essay, will automatically be considered for several of the scholarships. Students are also urged to regularly check the scholarship bulletin board in the Financial Aid and Scholarship Office.

Two free scholarship search services, FASTWEB and ExPAN, are available in the financial aid section of the CSUSM Website. Both sites are free of charge and contain information on national scholarships.
