

California State University San Marcos
Finance and Administrative Services
Mission, Vision and Values

FAS Mission

Finance and Administrative Services promotes the campus strategic priorities by providing student and employee support, financial and regulatory guidance, and infrastructure development and management for the campus community. We do this by sustaining the momentum of campus growth, delivering responsive services, building teamwork across divisions, and using strategic decision making to achieve goals.

FAS Vision

Becoming nationally recognized leaders in higher ed administration.

FAS Values

In support of the mission, vision, and values of Cal State San Marcos, the core values of the Finance and Administrative Services Division define who we are and how we do business. These are the beliefs which guide our actions and set our direction.

Respect - We value each other's capabilities and contributions.

Trust - We communicate honestly, share information, and follow through on our commitments.

Professionalism - We apply our best skills, knowledge, and experience as we serve the campus community.

Responsibility - We take ownership of our actions, and continuously seek positive solutions.

Collaboration - We work together with the campus community to accomplish our common goals.
