### **2009-2010 EXEMPTION STATUS**

Thank you for submitting your verification worksheet and tax return to the Financial Aid & Scholarship Office. In the process of reviewing your verification paperwork, we have encountered some items that need clarification.

When reviewing your federal tax forms we discovered that you have been claimed on your parents' tax form as a dependent and that you also claimed yourself as a dependent. Per Internal Revenue Service (IRS), you may not be claimed twice as a dependent; therefore, you or your parents are required to re-file taxes with the IRS. Please submit a signed copy of the 1040X once you have submitted it to the IRS office.

If you have any questions please contact the IRS at 1-800-829-1040 or visit their website at [www.irs.gov](http://www.irs.gov)

Please file your 2008 Federal 1040X Tax forms with the IRS and send a signed copy to our office. Once we have received your information we will continue to process your file. Failure to provide this documentation will prevent your FAFSA from being processed.

Please submit copies; do not submit originals to our office.
