

Complete and return to the CSUSM Financial Aid & Scholarships Office. The Terms & Conditions Form must be received prior to the disbursement of any financial aid funds. Submit only one form for the academic year.

2009-2010 FINANCIAL AID TERMS & CONDITIONS

Student ID # _____

Student's Name (Print) _____

Anticipating that you may be offered some form of financial assistance, recipients of financial assistance are responsible for understanding and agreeing to the following terms & conditions:

- You understand that an offer of financial aid is for the 2009-10 academic year and that offers of financial aid are contingent on the availability of funds. Furthermore, you understand you must re-apply and re-establish eligibility for financial aid each school year.
- As a financial aid recipient, you understand that funds for educational expenses received from an outside source (i.e. scholarships, fee waivers, etc.) will be coordinated with all other aid offered and the coordination of these additional resources may result in changes to the types and amounts of financial aid initially offered by CSU San Marcos.
- You understand that once financial aid funds are available for payment (typically ten days before classes start), financial aid will be credited to your student account to pay for your mandatory fees and any other outstanding obligations related to your educational expenses at CSU San Marcos for the 2009-10 award year. Your signature below authorizes CSU San Marcos to automatically apply funds from your financial aid the amounts necessary to pay for enrollment fees, other fees and other educationally-related financial obligations owed to the University. If you are a Cal Grant B Access recipient you may rescind this authorization with written notification to the CSUSM Financial Aid & Scholarships Office.
- You understand that should you be offered financial aid that it is available for payment only if you have been officially admitted (not provisionally or conditionally admitted) and are enrolled in classes during the semester(s) indicated on your award letter. You understand that financial aid offered is based on full-time enrollment and that payments may be adjusted for part-time enrollment.
- If you are offered student loan funds, you understand that you must be enrolled in a minimum of six (6) units throughout the loan period to be eligible to receive loan funds.
- You understand that a condition to continue to receive financial aid requires that you meet Satisfactory Academic Progress standards according to policies established by the CSU San Marcos Financial Aid & Scholarships Office and consistent with federal guidelines. You understand that these policies include 1.) Completion of a minimum number of units based on your enrollment status, 2.) An evaluation of academic progress based on cumulative grade point average, and 3.) A maximum time frame for receiving financial aid to complete your degree objective.
- You understand that should you withdraw from classes following payment of financial aid that you may be subject to repayment of funds already received based on the Return to Title IV calculations and/or you may jeopardize your future eligibility for financial aid due to lack of achieving satisfactory academic progress.
- You understand that the Office of Financial Aid & Scholarships reserves the right to review or modify financial aid offered at any time due to changes in your financial status, eligibility for financial aid, or changes in federal, state or institutional fund availability. In addition, your financial aid offered may be void or one or more financial aid program(s) may be canceled or modified if the aid offered was based on any error in determining eligibility or the amount of financial aid offered, whether or not the error was made by you or the Office of Financial Aid & Scholarships.
- You understand that you may receive financial aid at only **one school for the same period of enrollment.**
