

Satisfactory Academic Progress
Academic Status Evaluation

Applicants for federal and state financial aid are required to meet satisfactory academic progress standards. The Financial Aid & Scholarships Office has established satisfactory academic progress policies for financial aid and evaluates applicants annually in accordance with these standards. According to our records, a Hold has been placed on your financial aid records as you do not meet **Academic Status** for Satisfactory Academic Progress. Please review the information below which provides further details and instructions should you choose to appeal this decision.

What are the reason(s) for the Satisfactory Academic Progress Hold?	What is the impact of the Satisfactory Academic Progress Hold?
<p>Academic Status: Your satisfactory academic progress was evaluated for the combined terms of summer 2008, fall 2008 and spring 2009. The evaluation indicates that effective with the end of spring 2009:</p> <ul style="list-style-type: none"> You did not achieve a cumulative grade point average of a minimum 2.0, OR You did not successfully complete the required number of units for the combined number of units attempted (summer 08, fall 08 & spring 09 combined), OR You were academically disqualified by the University at the end of the spring 2009 term. <p>Please note that <u>any</u> of the conditions above would result in the Satisfactory Academic Progress hold due to Academic Status. The checklist item on your SAP To Do List at MyCSUSM.edu will list the condition(s) which applies to your situation.</p>	<p>Based on your Satisfactory Academic Progress status, a Hold has been placed on your financial aid record for 2009-10. The impact on financial aid processing is as follows:</p> <ul style="list-style-type: none"> Further processing of financial aid will be suspended and your application is on HOLD. Financial aid funds that have been awarded to you cannot be paid due to your ineligible status. If you have been provided with a temporary fee deferment which allowed you to register without payment of fees, the fee deferment will still remain in place at this time and you will not be dropped from classes due to non-payment at this time. <p>Reinstatement of financial aid eligibility can be established by meeting the terms of Satisfactory Academic Progress as outlined in the CSUSM Satisfactory Academic Progress policy for financial aid. If you believe that you have extenuating circumstances which you feel should be considered in reestablishing your financial aid eligibility, you may address your unique circumstances by completing the Satisfactory Academic Progress Appeal for Academic Status.</p>
